

Notice to all Curry County Sunday Schools

Dr. W. C. Merritt, Secretary of the International Sunday School Association of Clarmont, Cal., has issued a call for a Curry County Sunday School Association to be held at Clovis, on Monday, March, 16th., 1914. We are very anxious to have a report at least, and if possible, a representative from each and every Sunday School in Curry County, at that meeting. We also want to secure as soon as possible the following information concerning each Sunday School in the County:

1. Denomination (or Union Sunday School)
2. Post office.
3. No. of School building if held at school house.
4. Name of Superintendent.
5. Name of Secretary.
6. Name of Pastor, if any.
7. No. of Pupils.
8. Comments concerning the Sunday School.

Please see that someone reports at once concerning your school.

Address all communications to Miss Addie Grigsby, Secretary, Clovis, N. M.

A prompt response to this call will enable us to get out the program at once, and to supply each school with same.

L. C. M.
President.

Card of Thanks

To the friends who came to us in our hour of trouble, and contributed all that human kindness could suggest, to help and comfort, we return most heartfelt thanks, and although such devoted friendship cannot revive the sad memories that linger around our vacant chair, it brings into view the brightest side of humanity, and throws the pure light of an unselfish friendship into a darkened home. May the day be far distant when those friends who gathered around us will need similar attention, but when the time comes may they receive the same full measure of generous aid and tender sympathy they brought to our home when death was an inmate there. And to those who sent flowers and tokens of love, we wish to thank more than words can express. We can only add "God bless the noble, big hearted citizens of Clovis."

Our Investment

The telephone instrument on your wall or desk, the piece of wire, and the occasional pole you see, the voice of one operator you hear when you make a call, doesn't make a telephone system.

You see less than one-tenth of the things that are necessary for one single telephone message.

You see on the average only an investment of \$15.17.

It really costs us an average of \$162.00 to reach each subscriber.

Our investment, as shown in our last annual statement, is divided approximately as follows:

The part you see	The part you don't see
Subscriber Station Equipment . . \$2,692,964.00	Switchboard and Central Office Equipment . . . \$2,774,542.25
	Pole Lines . . . 7,769,946.51
	Aerial Cables . . . 2,781,582.80
	Aerial Wire . . . 6,193,824.97
	Underground Cables and Ducts . . . 3,278,528.41
	Real Estate and Buildings . . . 2,255,162.52
	General Equipment . . . 266,500.59
	Total \$25,330,958.05

There are other items, too, that go to make up our total, such as rights-of-way and supplies.

Liberty Bell Items

(Too late for last week)

Sunday School and Prayer meeting at Liberty Bell was attended by fine crowds. Every one reports a good time.

The school at Liberty Bell is progressing fine with an enrollment of 28. All the pupils seem to be working hard and the teacher is wearing a satisfied smile.

John Anderson and John Jordan are gone to the brakes for wood.

John and Lucy Moore and Fay Davis passed through with large loads of wood.

A. L. Phillips is farming now having hired George Shelton to boss the job.

Lon Harrison reports having a bad case of Arizona fever. We hope he will live over it.

Mr. Monzingo has gone to Clovis on business at the present writing.
